MEMORANDUM FOR: Chief, Plans Staff/FI  
FROM: Chief, SR Division  
SUBJECT: Request for Amendment to Project AENOBLE

1. The Project case officers have determined that in order to permit one of the AENOBLE agents, AENOBLE 6, to exfiltrate the USSR in 1954, a substantial sum of money will have to be supplied him for train travel, food, equipment, and other operational contingencies. Since it was not originally envisaged in Project AENOBLE (as drafted on 3 February 1953 and approved on 16 April 1954) that the method of re-supply would prevent an accounting, it now becomes advisable to write off the money involved to project expense. Sufficient project funds are currently available to cover this expense.

2. It is therefore requested that para 17.d <sup>*be added to*</sup> ~~Project AENOBLE~~ *rest. Proj. Br.*  
~~be amended~~ to read:

Write-off:

A substantial sum of rubles (up to 50,000) will be needed for the exfiltration of one of the AENOBLE agents and since the limited nature of our communications does not allow for an accounting, the money involved should be written off to project expense.
