Hi

(b)(3)
(b)(6)

Thanks for the discussion today.

Per our chat, I'll reach out tomorrow to the Argo folks and let them know that we have your approval to get started with the planning for filming.

As we discussed, we'll do whatever is needed to minimize the impact on the workforce (filming over the weekend should fit the bill) and I'll give security a heads up.

This is a good news CIA story, with real life CIA good guys.

Thanks very much!

!
