As [redacted] mentioned this afternoon, I received a quick, informal enquiry from Sharon Seymour (Production Designer on 'Argo') about the process of gaining permission to film here. I told her I would pass along her request for information, which I am now doing. Please let me know if you would like me to get back to her, and with what information, or if you would like to handle it yourself. Her email is below.

Thanks [redacted] the pix are great !
Who would we contact about filming permission?
And what is the CIA's position on filming?
