Article 102

Attached are two files - one from O/S D, the other from Ops. Staff - in which there marked key papers re Article 102. One vital document is not here apparently, the one which transferred overall responsibility from O/S 1 to D/S O. This was a *staff study to D/C 1 dated 29 August 1952, which I prepared and ran through the various pertinent offices.

In O/S 1, only [redacted] of his name and I are cleared for this project. [redacted]
