Chief, FE  CLEARVERY/SYMBARY/ACRI Request for Operational Interest Check  ACTION REGISTED: As indicated  1. In June 1962, ACRI requested that Readquarters run an operational interest check on SYMBARY. We do not know whether the matter has been discussed in the field, although we assume it vill be handled by the 500th MIG. In any event, Headquarters feels that the most efficient and expeditions way of inadding any discussions regarding PETRARY/1 would be to have the responsible SUTECLE Agency in the field contact the appropriate LIMATYMEN officials at	MATCI	CLASSIFICATION			PROCESSING

Chief, FE  Chief, FE  CLIMATURET/STRANT/ACHI Request for Operational Interest Check  ACTION HENGINEED: As indicated  REFERENCE: Home  1. In June 1962, ACSI requested that Readquarters run an operational interest chack on STRANT/1. We do not know whether the matter has been discussed in the field, although we assume it will be handled by the 500th Mid. In any event, Readquarters feels that the most efficient and expeditions way of handling any discussions regarding STRANT/1 would be to have the responsible GUICER Agency in the field contact the suppropriate LUMATURET officials at C.  2. Headquarters is advising ACSI that STRANT/1 has had a long and close operational relationship with MIRAKE. This, coupled with what was a rather difficult transaction in 1996, could place KURARE in a rather embarressing position should STRANT/1 is past operational activities have compressed officer. Furthermore, STRANT/1 is past operational activities have compressed and maybe other services we are not searce of. HURARE would be such more receptive to relinquishing operational interest in the matter if we could be assured that STRANT/1 was going to be handled on an unwitting basis, or possibly through another agent.  ACSI discuss the satter with the case. Chief, FE  LIMANUSH/SYMBARY/ACSI Request for Operational Interest Check  ACTION REMUTIES: As indicated  HEFERECE: Mone  1. In June 1962, ACSI requested that Readquarters rum an operational interest check on STREARY/1. We do not know whether the matter has been discussed in the field, although we assume it will be handled by the 500th MIG. In any event, Mendquarters feels that the most efficient and expeditious way of handling any discussions regarding STEMARY/1 would be to have the responsable QUTCKE Agency in the field contact the appropriate LIMANUMET officials at [			]			
LIMANUST/SYSTAMF/ACSI Request for Operational Interest Check  ACTION RECORDS: As indicated  REFERENCE: Nowe  1. In June 1962, ACSI requested that Readquarters run an operational interest check on STERRAFY.1. We do not know whether the matter has been discussed in the field, although we assume it vill be handled by the 500th MIG. In any event, Mendquarters feels that the most efficient and expeditions way of handling any discussions regarding STERRAFY.1 would be to have the responsible COTGRE Agency in the field contact the appropriate LCHANNEY officials at 1.  2. Readquarters is advising ACSI that STERRAFY.1 has had a long and close operational relationship with RIBRAEK. This, coupled with what was a rather difficult termination in 1956, could place KREME in a rather subarrassing position should STERRAFY.1 find difficulty in operating with a new CHETER officer. Furthermore, STERRAFY.1 past operational activities have comprended him to the Chinese Communist Intelligence services, to the Japanese services, and maybe other services we are not ware of RUBERK would be much more receptive to relinquishing operational interest in the matter if we could be assured that STERRAFY.1 was going to be handled on an unwitting basis, or possibly through another agent.  ACSI discuss the author with the foregoing, we have requested that personally funding the Hilliam with the case.
