MEMORANDUM FOR COLONEL EDWARDS

Subject: Actions taken by ICAPS.

1. In view of the Director's note appearing on the attached memorandum, ICAPS must undertake an exploration of the current exploitation of all captured documents.

2. It is possible that invitation should be issued to each of the agencies to submit reports to CIG on the document centers now being maintained by them, and the procedures and methods of liaison which now exists.

3. The manner of approach by CIG, however, should be determined only after informal soundings.
