BBC Monitoring Service

To: Assistant Director, Office of Collection
and Dissemination

September 30, 1946

From: Acting Chief, Interdepartmental Coordinating
and Planning Staff

Subject: Future Relations between FBIS and BBC Monitoring Service and Re-
quest from British Radio Equipment Manufacturers' Association.

1. IGAPS concurs in the comments of the Office of Collection and
Dissemination on the above subject.

2. In view of the broad policy implications, IGAPS believes that
the proposed extension of FBIS activities in Europe should obtain
prior IAB concurrence.

3. Accordingly, it is requested that the detailed data and re-
ports recommended by Colonel Sands be obtained and transmitted to
IGAPS to form the basis of an IAB paper.
