Subject of NSLA-11713

REF: NSLA-11713

1. Subject is one among many names submitted by Diemstetella II for our traces. It appears that they are in the middle of the annual fall recruiting campaign.
2. Subject was spotted by V-14509 who has known him since 1940.
3. ZIPPEN informs us that he will be used "in Richtung S.O." This, of course, will necessitate more questions of where, why and how.
