Status of subproposals as shown in paragraph 5 of the Project Outline is as follows:

(1) A former staff agent has been contracted as a covert associate to assist in preparation of P/W material on request. The contract will be effective 1 December.

(2) The action contemplated in this sub-proposal (to bring two indigenous agents to the U.S. under Section 8 of the CIA Act of 1949, to train and contract as agents while here, and to return them to Athens for probable use on Project METAPHOR) has been formalized and Project Outline for a separate project for funding this action has been presented for approval (see Project MEASURE).

(3) No developments. It is probable that the sub-proposal as planned will not develop.

(4) It is possible that the opportunity to exploit a potential defector in Western Europe may develop during the next month or two. If so, a separate project requesting approval of the necessary funds will be presented for approval.

(5) No change.
