REF: (a) MISA-9278 (b) MISA-9329

1. Reference (a) has been passed around to the interested divisions, who are very interested in the possible developments of this contact.
2. We have been asked to caution you in the event that you contact the individual mentioned in paragraph 1 d, of reference (a). He is apparently a somewhat dubious character who is always trying to make contact with or claim connections with this agency.
3. In addition to the points mentioned in reference (b), it has been suggested that any information on the present whereabouts of any Amt IV dossiers on Soviet agents would be very helpful.
