Bunker's 26 June Message to Rusk

Attached for your information is a copy of a message from Bunker to Rusk received via our channels this morning. Also attached is a copy of the memorandum by which I sent the text over to Ben Read.

The "further information" Bunker refers to is the information which Hart relayed in SAIGON 8452 (copy also attached), the cable I was referring to in my comment at this morning's staff meeting. As you will note, Read was given its gist but, of course, not its text.
