1. Request clarification of the reasoning in paragraph 2 of Reference.

2. Comment:

a. Subject has not seen her uncle for several years.

b. Our assessment is that "any KUBARK attempt to recruit subject" would be 100 per cent successful, and that she would maintain the security of the relationship. Subject is apolitical and would be motivated entirely by the convenience of acquiring an apartment, if eventually used as a safehousekeeper, or by the small monthly fee she would obtain, if used as a live drop, since she has only a very moderate income.

3. Request for POA is herewith resubmitted.
