1. The Reference A dispatch described our plan to utilize a property as a safehouse that Subject was in the process of renting for his personal use. Unfortunately the landlord insisted on retaining an upstairs apartment in the house for occasional weekend use. Although Subject reports that thus far the landlord has not actually used the property except to make two ten-minute visits to pick up personal items, the situation precludes the use of the property as a safehouse.

2. In view of the above and according to the original plan, we will utilize CABATON-1 as an accommodation address. Further, we still intend to attempt CABATON-4's recruitment through Subject and are requesting renewal of his POA by cable.

3. Both the case officer and [] have been impressed with Subject's character and intelligence and it is our intention to eventually utilize Subject as a Principal Agent spotter/recruiter for CANOIR/CAELI. We hope to give Subject cover for movement and status through employment in some capacity with one of the PBPRIME firms cited in Reference B.
