CLASSIFICATION

TO : Chief, EE

DATE: 24 April 1958

FROM : Chief of Base, Frankfurt

INFO: COS

SUBJECT: GENERAL— CALL/CATARSI/Operations

SPECIFIC— Special Utilization of CABATON-5 for Access
to Frankfurt Police Personnel

REFERENCE: EGFA-21088 dated 18 April 1958 — *OA-SP - no filing*

A further review of the security factors which would be involved in the proposal contained in reference has led to a decision that [redacted] must not be involved. [redacted] is doing contact work in some sensitive German projects including CADOTING and CATURGOR, and it is planned to expand her contact activity in German operations. We do not judge that the specific proposal is worth risking her exposure as an AIS operative to a German law enforcement agency. This is particularly pertinent since [redacted] will be returning to Germany for a second tour.
