Notes of, CE & R/S

We appreciate very much receiving the reports forwarded to BOB under reference, and request that FOB continue to forward BOB, on a routine basis, CABATON 38 reports. Attachment to reference was checked against BOB files, and no record was found that the refugee was questioned by either BOB or CIC Region VIII, and, of those MFS staff members mentioned by the refugee, checked against our files on EGIS staff members as reported by refugees, no traces were found. Hence, it appears that the refugee's information is a new acquisition for BOB's CART files.
