REFERENCES

BRLN 9150, 7 May 1960

Forwarded herewith are three of reference test letters mailed from Berlin. We have noted on the envelopes the dates on which they were forwarded to us by the respective addressees and the dates we picked them up from the local Frankfurt post boxes. Since these addressees live some distance away from Frankfurt and forward their mail via Frankfurt post boxes, we have no way of determining immediately when the letters were actually received by them.
