1. In accordance with your suggestion we will, in the future, post all test letters to CABATONS 41, 42 and 43 from East Berlin or the Soviet Zone of Germany.
2. Perhaps CABATON 38 could explain the West Berlin letters as having been posted by friends who found it convenient at that time to go into West Berlin to mail the letters. If no letters are posted from West Berlin in the future, this explanation should suffice.
