<p>1. Your suggestion in Paragraph 3 of Reference will be implemented in the course of regularly scheduled operational meetings.</p> <p>2. We would like to call your attention that both instances of delayed letters cited in Reference occurred during the period of heaviest Christmas holiday mail. During this period it was publicly announced by the Bundespost that all mail could expect delays of up to two weeks. Additionally there has been considerable delay due to the unusually cold weather which has made railroad schedules meaningless.</p>
