GADROWH/Request for File Checks

- REF:
- A. EOB-A-3084
 - B. EOB-A-2430
 - C. HQ-A-6758
 - D. HQ-A-6728

1. Reference (A) contained the fourteenth and last group of names of recruited and prospective GADROWH agents, who are to receive file checks in accordance with Reference (B). As the balance of the organization's assets consist of qualified men who have been spotted but are not in direct contact with GADROWH, it is felt that a headquarters and GIC file check for SED connections, as outlined in Reference (C), should provide satisfactory security and reduce the tracing requirement on headquarters.

2. We are, therefore, enclosing as Attachment A the first group of names in a second series which are to be checked for SED ties.
