We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

With regard to Item 1, that portion of your request for records on yourself falls under the purview of the Privacy Act and will be addressed via separate correspondence under 2013-00277.

P-

With regard to Items 2 and 3, we cannot accept your FOIA request in its current form because it would require the Agency to perform an unreasonably burdensome search. The FOIA requires requesters to “reasonably describe” the information they seek so that professional employees familiar with the subject matter can locate responsive information with a reasonable amount of effort. Commonly this equates to a requirement that the documents must be locatable through the indexing of our various systems. Extremely broad or vague requests or requests requiring research do not satisfy this requirement.

Sincerely,

A handwritten signature in cursive script, appearing to read "Michele Meeks".
