- e. CATOPHAT/13 - Subject is a 39-year old German citizen whom [] was trying to develop into an access agent to the Soviets. Subject has yet to prove himself. Contact is sporadic. During the first five months of 1969, \$40.00 was expended on Subject and [] has indicated that the contact is being dropped.
- f. CATOPHAT/14 - Subject is a Dutch citizen and a sales representative of the Diplomatic Supply Company in Vienna, Austria, who formerly resided in Bonn. There has been no operational contact [] since approximately May 1969 and he was never paid a salary.

2. It is our contention that none of the above represent agent assets, none are paid a salary, contact is sporadic at best and they are not candidates for inclusion in the Project.
