MEMORANDUM FOR: Deputy Director for Intelligence  
Deputy Director for Operations  
Chief Information Officer  
Director, Office of Security

FROM: A.B. Krongard  
Executive Director

SUBJECT: (U//AIUO) CIA Support to Government-wide  
Database of Terrorism Information

1. (U//AIUO) Action Requested: **CIO**: Identify a senior officer to chair an internal CIA working group on ways to share terrorism information with other US Government agencies. **DDI, DDO and Security**: Identify focal points to support the working group.

2. (U//AIUO) Background: The White House has announced its intention to have the Attorney General create a Foreign Terrorist Tracking Task Force. The Secretary of State and the Director of Central Intelligence will support this Task Force. This Task Force will be specifically tasked to ensure all relevant terrorism-related information is made available to appropriate government departments and agencies in a timely fashion.

3. (U//AIUO) I am directing the creation of a CIA working group to support this Task Force and address-- promptly and appropriately--the associated complex substantive policy and technology issues. I expect the Terrorist Tracking Task Force will immediately focus on ways to share information about terrorist names; such an initiative has already been discussed by the Intelligence Community Deputies Committee, as well as by the Intelligence Community's CIO Council. The Task Force's mission, however, undoubtedly will lead to requirements for other types of information sharing at a variety of classification levels.

4. (U//AIUO) Please identify your focal points to me by close of business on 7 November 2001. The D/EXDIR will host an initial meeting of the focal points to discuss next steps and the relationship with the Task Force.

A.B. Krongard
