CENTRAL INTELLIGENCE AGENCY

Washington, D. C.

December 1949

This Preliminary Gazetteer for Turkey is issued in one volume as part of the National Intelligence Survey program and lists official standard names approved by the United States Board on Geographic Names. These names supersede all previous decisions on geographic names in this area.

This Gazetteer is issued on a preliminary basis to expedite availability of this work material for use in the preparation of the National Intelligence Surveys. It is contemplated that major additions and revisions will be published in supplemental volumes and that subsequently the material will be consolidated and published as a standard component of the National Intelligence Survey for Turkey.

Distribution of this publication is made by the Central Intelligence Agency. This document carries a RESTRICTED classification but individual names thereof are unclassified.

FOREWORD

This gazetteer contains about 5,800 entries for places and features in Turkey. Turkish sources were used in standardizing the names, and the Turkish diacritical marks were retained.

Glossary of generic terms

The following glossary contains generic terms occurring in the standard names listed in the gazetteer. Each of the meanings given applies in the case of one or more of the standard names. Forms after commas are "possessive" forms which depend grammatically on a preceding word; e.g., *Kara Burun*, "black cape," but *Anadolu Burnu*, "cape of Anatolia."

ada, adası	island
bataklık, bataklıđı	marsh
boğaz, boğazı	strait

Interpretation of entries

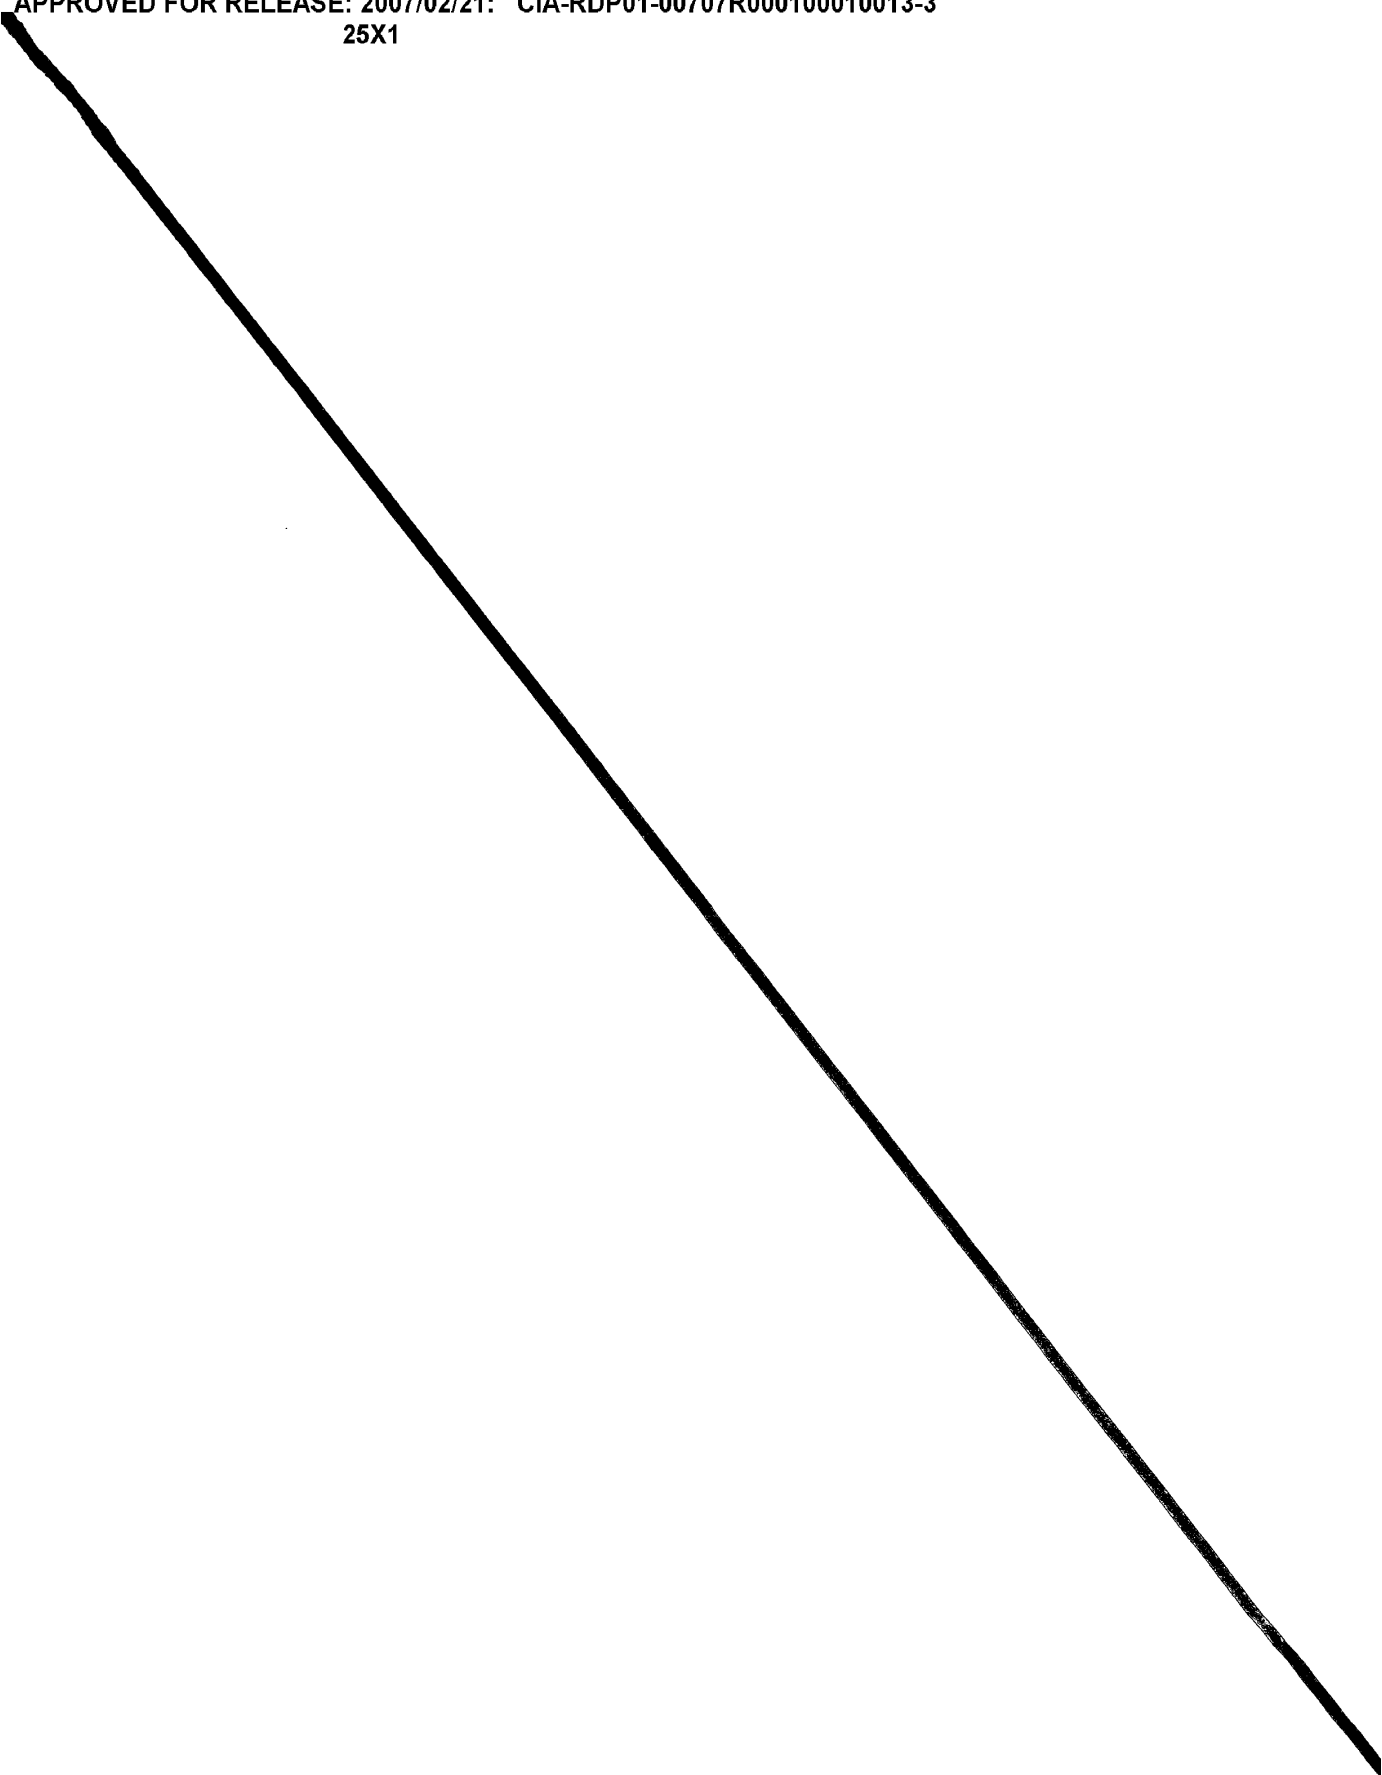

It has been necessary to express in code numbers and letters some of the information regarding places and features listed in the gazetteer in order to accommodate the information to the machine method of tabulation.

Name.--Standard names and cross-references from variant names appear in the first column. In some cases, more than one name is approved for a feature, and the two or three approved names are stated, each with bracketed identification. In a few entries, part of a name is underlined; in such cases, the use of the non-underlined part is optional.

Designation.--The following abbreviations have been used in the second column in cases where abbreviation of designation has been necessary:

BAY	bay, inlet	HBR	harbor
BRDG	bridge	HILL	hill(s)
BRKS	barracks	ISL	island
CAPE	cape, promontory, head-land	ISTH	isthmus
CHAN	channel	LAGN	lagoon
CLIF	cliff	LDNG	landing place
COMM	commune (Turkish <i>bucak</i> , formerly <i>nahiye</i>)	MINE	mine(s)
DIST	district (Turkish <i>ilce</i> , formerly <i>kaza</i>)	MRSW	marsh, swamp
DSRT	desert	MT	mountain
GRGE	gorge, ravine	MTS	mountains
		PASS	mountain pass
		PEAK	peak(s)
		PEN	peninsula
		PLN	plain
