MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: Walter Elder
Executive Secretary

SUBJECT: DCI Directive Rescission

1. Action Requested: That you approve the recommendation to rescind DCI Directive 1/3, 18 May 1976.

2. Background: This directive, "Committees of the Director of Central Intelligence," (attached) was promulgated in December 1974 in an effort to establish rules and procedures applicable to each and every Intelligence Community committee. The directive also provided for oversight of all the committees by the Deputy to the DCI for the Intelligence Community.

The directive has been overtaken by events.

o First, the DCI has delegated responsibility to the DDCI for providing general guidance to the committees and the IR&DC.

o Second, there are differences in how the individual committees operate. For example, the CIPC has a charter which would not be appropriate for, say, COMIREX or the SIGINT Committee.

o Third, in the process of reviewing the directives for the committees, the composition and organization section was tailored to fit each committee's functions.

o Finally, all the Committee chairmen have concurred in my recommendation that DCID 1/3 be rescinded as superfluous and misleading.

What happens to the designation of the committees as "DCI committees"? In my view, nothing. The role of the committees is to advise the DCI. Should a chairman choose to call his committee a DCI committee, he may.

3. Recommendation: That you approve the rescission of DCID 1/3 and direct the Executive Secretary to so inform the holders of the DCI directives.
