Foreign Intelligence Priorities Committee

ICS 86-4117
30 May 1986

MEMORANDUM FOR: FIPC Members

STAT

FROM: [Redacted]
Executive Secretary

SUBJECT: Intelligence Subcategory Definition Condensations

There seems to be general agreement that many FIRCAP topic definitions are longer than they need be. With this in mind, the Chairman requested that I pass to you for consideration the attached shortened versions of the draft intelligence subcategory definitions sent to you earlier. They may suggest some acceptable ways to condense those definitions. [Redacted]
