MEMORANDUM FOR: Director of Public Affairs
FROM: Director of Central Intelligence
SUBJECT: Trip to Principia College and St. Louis

I really would like to do this one and also with it something in St. Louis and possibly south of St. Louis in Bill Burlison's district. What I have in mind at St. Louis, though, is a group of businessmen more than a big public speech. Bill Webster can clue us in as to how to set that up when the time comes.
