MEMORANDUM FOR: Special Assistant for Strategic  
Intelligence, Comptroller

FROM : William F. Donnelly  
Acting Chief, Division D

SUBJECT : Collection Support Brief - Soviet  
Directed Energy Activities

1. The Scientific and Technical Intelligence Committee has published an impressive collection guide with your office serving as the catalyst. Well done. I hope some of the collectors can produce a meaningful product on the problem.

2. Please keep our guide up to date.

~~(S)~~ William F. Donnelly
