Dear [redacted]

It was nice to hear from you and get caught up on your activities [redacted] I'm sorry to hear the price of gasoline there has become so exorbitant.

I have given your name to Vice Admiral Crowe, who has just been announced as the next CINCSOUTH. The Admiral is an old friend of mine and currently is living in Quarters D in the Naval Observatory! He and his wife are fine people and I hope that you can work for them [redacted]

[redacted] is now working for the CIA as a security guard. He seems to be enjoying it. We see him from time to time.

[redacted] came through Washington a few weeks ago with [redacted] and he brought us a couple of wonderfully fresh Hawaiian pineapples. We thoroughly enjoyed that.

Hornblower is fine and would send regards, I'm sure.

Mrs. Turner joins me in sending our very warmest wishes.

Yours,

STANSFIELD TURNER
