SUBJECT:

Department of Justice Proposed Report on  
H.R. 4836, Land Remote Sensing  
Commercialization Act of 1984

1. Attached for your review and comment is a proposed Department of Justice (DOJ) report on H.R. 4836, the Land Remote Sensing Commercialization Act of 1984. The Office of Management and Budget (OMB) has requested our views on this report by COB 10 April 1984. Please provide me with your comments before this time.

2. Also attached for your information is H.R. 5155, apparently introduced as a "clean bill" version of H.R. 4836. H.R. 5155 was reported from the House Science and Technology Committee on 3 April 1984. Although we have not yet been requested to comment to Congress or OMB on H.R. 5155, I would appreciate your views on this bill nonetheless.
