MEMORANDUM FOR: Deputy Director for Intelligence

ATTENTION : Director, Office of Geographic and Cartographic Research

VIA : Acting Deputy Director for Operations

FROM : [Redacted] 25X1
Chief, East Asia Division

SUBJECT : Request for a Geographic Analysis

Pursuant to discussions conducted between [Redacted] 25X1
[Redacted] the Office of Geographic and Cartographic Research 25X1
(OGCR) and the [Redacted] Branch, it is requested that OGCR 25X1
undertake a geographic analysis of the Cambodian border
boundaries with Thailand and the Socialist Republic of
Vietnam. The dispute over these border boundaries appears
to be the basis for current military clashes between
Cambodia and its neighbors, and a geographical analysis
by OGCR would measurably assist in furthering our under-
standing of the problem.
