MEMORANDUM FOR RECORD:

SUBJECT: Naval Command files of ONI Weeklies

1. I telephoned [] today (ext. []) and passed on Captain Olsen's offer to turn over the Naval Command's file of ONI Weeklies, dated from 1942. (They are indexed and bound.)

2. [] expressed great interest and stated he would appreciate having this offer renewed about 1 month from date, after he has gotten the ORE log jam under control. I assured him we would call back about a month from now.
