**MEMORANDUM FOR DEPUTY ASSISTANT DIRECTOR FOR COLLECTION AND
DISSEMINATION**

**SUBJECT: Implementation of NIA Directive No. 7 and
CIG Directive No. 18**

REFERENCE: Your memo, dated 22 May 1947, subject as above.

1. In answer to the query contained in paragraph 1 of the reference memorandum, no case of the type discussed in paragraph 1, c of the Deputy Director's memorandum of 18 February, 1947 has occurred to date.

2. In answer to paragraph 2 of the reference memorandum, IGAPS has been conducting the monthly interagency meetings on collection policies; however, the Chief, Collection Branch, normally takes over control of the meeting when collection procedures and current coordination problems are discussed. IGAPS restricts its participation largely to opening the meetings and to minor comments relative to policies already established by NIA Directive No. 7 and CIG Directive No. 18.
