MEMORANDUM FOR ASS'T. DIRECTOR, OCD:

Subject: CIG Directive No. 18

1. In implementation of NIA Directive No. 7, OCD will arrange to receive and review all future agency collection directives to determine their appropriateness under the established overall policies and objectives.
2. In implementation of CIG Directive No. 18, OCD will undertake an immediate review of all outstanding agency collection directives to determine what agency directives should be rescinded or appropriately amended as provided in paragraph 3 of CIG Directive No. 18.
3. Recommendations developing from 1 and 2 above will be supplied to ICAPS.
4. Formal communications developing from 1 and 2 above will be signed for CIG by the Director or his Deputy.
5. Initially, ICAPS will conduct the monthly interagency collection meetings provided for in the CIG memorandum covering CIG Directive No. 18. OCD will, however, participate fully therein and will prepare and propose to ICAPS agenda based on agency comment and on OCD knowledge of developments in the collection field.
6. As soon as the meetings lose their policy coordinating and planning character and settle into periodic discussions of operating procedures, ICAPS will turn the conduct of the meetings over to OCD which will submit to ICAPS for concurrence any policy proposals originating in the meetings.
