Roxanne:

Today, we sent you 52 boxes, (H 1-52). The first 22 of these are boxes we had in our office on temporary loan from the federal records center. I've included in this list the accession numbers and box numbers that the records center uses to identify all boxes stored with them. Accordingly, when the records center ships our records to you, these boxes will be included in their inventory list, but will already have been sent from here.
