Honorable John Spratt  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Spratt:

We are looking forward to seeing you at CIA Headquarters for intelligence briefings on Friday, 4 March.

You may wish to look through the enclosed publications prior to the briefing. Two of them explain the "intelligence cycle" and define the Intelligence Community, of which CIA is only one part. The third is an example of the type of unclassified documents produced by the Agency to provide accurate background information for those involved with foreign affairs. It is updated annually.

If you have any questions about these documents, feel free to call my Legislative Liaison Division on 351-6136.

Cordially yours,

Director, Office of External Affairs
