50X1 9. [redacted] Talked with Representative Morris
50X1 Udall's office concerning his letter to the Director on behalf of a Tucson
50X1 firm which is developing a secure communication system. The Congressman
was interested in knowing who the firm should contact to determine whether
there was any Agency interest. Having checked with the Office of Logistics,
I suggested that the contact be made with [redacted] at the
Agency address. Miss Kell, in the Congressman's office, thanked me
for this information.

50X1 10. [redacted] Talked with Judith Denton, Peru Desk
at State Department, and Mr. John White, Congressional Relations Office
of State, concerning our instructions to the field on Senator Ellender's
travel. We are suggesting that State and Agency representatives be
responsive to the Senator's personnel inquiries and that Headquarters
would be in touch with him upon his return.

Mr. W. F. Rayborn, Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Rayborn:

A Tucson firm is developing a secure communication system which it feels would be of great help to government intelligence agencies. Technical proposals must be sent through the proper procurement channels for your agency. Kindly let me know who in your agency should be contacted in this regard.

Sincerely,

Morris K. Udall
