STANDARD OPERATING PROCEDURE
NUMBER 50-3055-22

16 February 1965

TACTICS PANEL

25X1A2g
25X1A2g

1. PURPOSE: To establish a panel for development of new tactics to be employed by [redacted] aircraft, revise established/approved tactics as required, and to review tactics recommended for inclusion in the [redacted] Tactical Doctrine.

2. SCOPE: This procedure is applicable to:

a. Personnel assigned on orders as members of the Detachment Tactics Panel.

25X1A2g

b. Personnel requested by the President, Tactics Panel, to develop new tactics, review existing tactics, and/or prepare for inclusion in the [redacted] Tactical Doctrine specific tactics approved by the panel.

3. RESPONSIBILITY: The President of the Tactics Panel is responsible to convene members of the Panel when items have been submitted for consideration, or when existing tactics appear to be unsatisfactory for operational employment. Rated members of the Commander's Staff, and rated personnel assigned to Staff Directorates, knowledgeable of [redacted] operations/capability, are responsible to submit for review any tactic recommended to improve operational capability of the [redacted], or revision of any existing tactic included in the Tactical Doctrine. Copies of this Standard Operating Procedure will be forwarded to the Commander, 903d Air Refueling Squadron, Beale AFB, California. The Commander, 14th Strategic Aerospace Division, Beale AFB, California, has made available to the Commander, [redacted] members of the 903d ARS to function as advisors/members of the Detachment Tactics Panel. The knowledge/experience level of the Senior Staff of the 903d ARS dictates the necessity of requesting representation from that unit as members/advisors of the Tactics Panel Board when air refueling tactics are being reviewed. The 903d ARS is encouraged to submit items for review by the Tactics Panel.
