2. Attended a special luncheon with [redacted] to discuss the current interpretation of the Mission of the Office of Collection and Dissemination. [redacted] is sending to me some new written material on this subject. He was quite pleased on what we will call the Collection Panel. He expressed a degree of apprehension on the narrowness implied by many persons in referring to OCD as a "Collection Office." The stress which is made is that of the usability of knowledge which comes from proper reference service.

8. The Chief, OB/D, discussed with [redacted] Planning Coordination Staff, DD/P, the briefing of Mr. Hugh Cumming, Ambassador Designate to Indonesia. This is now scheduled for Monday, 28 September. The trend in recent weeks has been toward supplying as much briefing support to the DDP side of the Agency as to the DDI side, suggesting that perhaps the OB/D should be designated as a (G) and (S) component of the Office of Training.
