MEMORANDUM FOR: Project Security Officer

STAT

SUBJECT: Appointment of [Redacted] as
Medical Advisor to Project AQUATONE

STAT

1. I have been informed today by [Redacted] that as a result of conversations yesterday between Mr. Bissell, Dr. Tietjen and [Redacted] the latter has been appointed as Agency Medical Advisor to Project AQUATONE.

2. You will recall earlier in the year your office approved [Redacted] for use by the Project and that he was given a complete briefing prior to his departure for Watertown Strip earlier this month. I did believe, however, that you would wish to adjust your records to reflect his new relationship to the Project.
