MEMORANDUM FOR : Ch/AMD
Attention: [Redacted]

SUBJECT : Availability of C-54 Aircraft [Redacted]

1. As you are aware, [Redacted] HQ, USAF, has suggested that we make available to [Redacted] USAF, two Agency aircraft (C-54) [Redacted], in the event that our 96 ton airlift for [Redacted] proves too much of a load upon [Redacted] airlift quota.

2. This office requests that, if at all possible, one or two of these C-54's be at [Redacted] disposal to haul approximately 40 tons of equipment [Redacted]. I understand that [Redacted] has contacted you by phone and that you have indicated your approval pending our statement of requirement. It is possible that [Redacted] will not require this assistance but we would like to help him out if at all possible.
