Chief, Administration/OSO

6 August 1951

Acting General Counsel

Assignment of Legal Officer

1. Reference is made to your request dated 1 August 1951 that this office give consideration to the assignment of a Legal Officer as Advisor to the Administration Staff, OSO. It is agreed that the complexities of current operations and numerous contractual and other obligations involved may well warrant such an assignment on either a full or part time basis.

2. At the present time this office is not in a position to make such a detail. There are certain proposed increases in the staff of this office which have been presented for approval. When such increases have been approved, further consideration will be given to your request. In the meantime it is hoped that the location of a part of our staff in "L" Building will fulfill your requirements.
