Subject: Liaison Security Committee Meeting - 31 August 1948

1. The 59th meeting of the Liaison Security Committee was held at 1400 hours on 31 August in the Projection Room of the Administration Building. The following [redacted] 25X1A

25X1A

- a. The minutes of the previous meeting were approved as disseminated.
- 25X1A b. [redacted] briefed the Committee on the present status of our relationship vis-a-vis the Department of State.
- 25X1A c. [redacted] submitted his paper dealing with the proposed establishment of a one-day course to indoctrinate high ranking persons in Government agencies with CIA methods and procedures. After some discussion it was agreed to table this matter.
- d. The sub-committee appointed to make recommendations for the continued handling of OSO security problems felt there was no need for any specific recommendations inasmuch as the matter had been resolved by the appointment of [redacted] as Security Officer for OSO and the individual problems would be handled through that channel as they made themselves evident. 25X1A
- 25X1A e. In an effort to facilitate the administrative handling of OSO employees on unvouchered funds, [redacted] submitted a proposed S.O. Directive regarding "Classification of Employees". This matter was discussed at some length after which the draft was returned to [redacted] for inclusion of suggestions and appropriate action. 25X1A
- 25X1A f. [redacted] requested BIC to again take up with the Department of State the question of our receiving Foreign Service Serials, Regulations, etc., inasmuch as we are still not getting all of these publications.
- 25X1A g. [redacted] submitted a draft GAI covering the exchange of communications between stations and calling attention to the fact that no individuals at overseas stations should attempt to communicate, either personally or officially, with any person at another station without prior clearance from Headquarters. Suggestions were made to strengthen this draft and it was returned to [redacted] for inclusion of suggestions and proper action. 25X1A
