My dear Lawrence:

You will probably remember [REDACTED] who was with us in OSS. Sometime ago he told me that he had talked with the people in [REDACTED] and that they had said that they were interested and would communicate with him. I enclose a copy of a letter I received from him. Of course, you know that failure to give a definite answer is not only unbusiness like, but is apt to discourage people that would be available to the organization.

Sincerely yours,

*William J. Donovan*
