Dear Larry:

STATOTHR A girl here in Fairfax has asked me to try to find out what happened to her application for employment in the C.I.A. Her name is  She filled out forms and was interviewed almost one year ago and has heard not a word either favorable or unfavorable. Her specialty is an academic knowledge of Russian. I know so few people down there now that you are the only person I can think of to ask. Could you look into the matter, or is this entirely out of your province? I should appreciate your advice on the matter.

My regards to your beautiful wife. Again congratulations on your son. We hope to see you all some time soon.

Very truly yours,

STATOTHR
