MEMORANDUM FOR: Chief, FE/Admin

SUBJECT : Request for Overtime Payment,

25X1A

25X1A

REFERENCE : Memorandum for Special Contracting  
Office from Chief, FE signed by

25X1A

dated 25 February 1954,  
same subject.

1. This Staff cannot approve your request that we now in 1954 authorize payment of overtime to an individual for services performed in 1951-1952 under a contract which did not include overtime benefits. Legally, there is no "consideration" to support such an authorization. 25X1A

25X1A 2. Reference is made in your memorandum to the fact that "all contract personnel at [redacted] were granted retroactively a Federal pay raise and payment of overtime." It is presumed that you are referring to the action taken by the Committee established by CIA [redacted]. As you know, this committee was specially constituted and had special authorities, but its decisions only have applicability to the cases submitted to it and cannot be extended to the subject individual.
