That whenever any public utility or person shall propose any change in any law relating directly or indirectly to the property or operations of any public utility the said proposed change shall also and at the same time be submitted to the Commission, which may take testimony and give a public hearing thereon, and the Commission shall recommend such bills as will in its judgment protect the interests of the public and such public utility and transmit the same to the proper committees of the Senate and House of Representatives.</p>	37 Stat. L. 973.....	From time to time.
<p>PAR. 6. That the Commission shall ascertain, as soon as and as nearly as practicable, the amount of money expended in the construction and equipment of every public utility, including the amount of money expended to procure any right-of-way; also the amount of money it would require to secure the right-of-way, reconstruct any roadbed, track, depots, cars, conduits, subways, poles, wires, switchboards, exchanges, offices, works, storage plants, power plants, machinery, and any other property or instrument not included in the foregoing enumeration used in or useful to the business of such public utility, and to replace all the physical properties belonging to the public utility. It shall ascertain the outstanding stock, bonds, debentures, and indebtedness, and the amount, respectively, thereof, the date when issued, to whom issued, to whom sold, the price paid in cash, property, or labor therefor, what disposition was made of the proceeds, by whom the indebtedness is held, so far as ascertainable the amount purporting to be due thereon, the floating indebtedness of the public utility, the credits due the public utility, other property on hand belonging to it, the judicial or other assets of said public utility, its property or franchises, and the amounts purporting to have been paid, and in what manner paid therefor, and the taxes paid thereon. The Commission shall also ascertain in detail the gross and net income of the public utility from all sources, the amounts paid for salaries to officers and the wages paid to its employees, and the maximum hours of continuous service required of each class. Whenever the information required by this paragraph is obtained it shall be printed in the annual report of the Commission. In making such investigation the Commission may avail itself of any information in possession of any department of the Government of the United States or of the Commissioners of the District of Columbia.</p>	37 Stat. L. 987.....	Do.
<p>PAR. 8. That before final determination of such value the Commission shall, after notice of not less than 30 days to the public utility, hold a public hearing as to such valuation in the manner hereinafter provided for a hearing, which provisions, so far as applicable, shall apply to such hearing. The Commission shall, within 10 days after such valuation is determined, serve a statement thereof upon the public utility interested and shall file a like statement with the District Committees in Congress.</p>	37 Stat. L. 987.....	Do.
<p>PAR. 14. That the accounts shall be closed annually on the 31st day of December, and a balance sheet of that date promptly taken therefrom. On or before the 1st day of February following such balance sheet, together with such other information as the Commission shall prescribe, verified by an owner or officer of the public utility, shall be filed with the Commission, and a copy thereof transmitted to Congress.</p>	37 Stat. L. 973.....	Annually.
<p>PAR. 20. That the Commission shall publish annual reports showing its proceedings relating to all the public utilities of each kind in the District of Columbia, and such other occasional reports as it may deem advisable. The Commission shall also publish in its annual reports the value of all property actually used and useful for the convenience of the public of every public utility as to whose rates, charges, service, or regulations any hearing has been held by the Commission or the value of whose property has been ascertained by it under the provisions of this section.</p>	27 Stat. L. 980.....	Do.
