MEMORANDUM FOR: The Director of Training
FROM: Chief, Management Training Division
SUBJECT: Congressman Thomas J. Dodd, Democrat
First District, Connecticut

1. I know Tom Dodd quite well. I consider him to be extremely able and highly motivated in his political activities. I have every reason to believe that he thinks well of me. ✓

2. Dodd is anxious to be educated about the policies and programs of the Executive Departments in international affairs. He was Justice Jackson's right hand man at the Nurenberg Trials. He is a graduate of Providence College and the Yale Law School. He is an Irish Catholic; he has been an FBI agent; in Connecticut he is highly regarded by all groups; he may quite likely be the next Governor of Connecticut and then a United States Senator.
