SUBJECT: GENERAL— Administrative 25X1A9a
SPECIFIC— Language training for [REDACTED] replacement.

Reference: [REDACTED] 25X1A6c

5X1A9a 1. It is suggested that reference be called to the specific
5X1A9a attention of [REDACTED] as a possible source of language
5X1A9a training for [REDACTED] replacement. The timing would appear to
be just right since his arrival in January in the Mission would
allow a sufficient overlap to transfer contacts and turnover of
several long pending cases. [REDACTED] will leave Mission 1 June 1956
and 4 or 5 months overlap would be most desirable.
