MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 6474, A Bill to Establish a Veterans
Preference Employees Appeals Office, and
for Other Purposes

This proposal would establish a Veterans Preference Employees Appeals Office as an independent Government agency to handle veterans' affairs relating to discharge from the Federal service, suspension, furlough without pay, reduction in rank or compensation, debarral from future appointment, and any other adverse personnel action taken by an administrative officer. We do not foresee any administrative difficulties which could not be overcome in handling Agency personnel matters with such an organization, although it is likely that some special procedural agreements would be required.
