MEMORANDUM FOR: Chief, Geographic Research Area

SUBJECT: Survey Listing of Internal and External Economic Research
Projects on Selected Non-Bloc Areas, 1 July 1957 through
30 June 1958

1. Information is now being compiled for the survey listing on Selected Non-Bloc Areas. It is requested that you arrange for the preparation and transmittal to the EIC Secretariat of a list (in duplicate) of all economic research projects, newly initiated, presently in progress, completed, or cancelled by your agency during the period 1 July 1957 through 30 June 1958. This list should include pertinent contributions to NIS Sections and Chapters, and the NIE program. It would be appreciated if you would contact all components of your agency producing economic research projects in connection with the preparation of your list in order that the survey may be complete as possible.

2. External economic research projects to be listed in this Survey will be compiled by the EIC Secretariat from the quarterly issues of Inventory of Government-Sponsored Foreign Area and Psychological Warfare Research produced by the External Research Staff, Department of State.

3. In a separate section of your contribution, please list all Top Secret internal and external economic research projects in progress, completed, initiated, or cancelled during this period -- for inclusion in the EIC Top Secret card file.

4. For your convenience in reporting, the following are included:

- a. A list of the country groupings and individual countries to be covered (Attachment A);
- b. Forms to be completed (Attachment B); and
- c. A copy of the subject index used in the surveys (Attachment C).
